Past Events: Snowweekend and Starkbierfest

Oh, what a month! Are you also still curing your headache from these two absolutly incredible events in March?

Mid march we spend an awesome weekend in the snow at Winkelmoosalm. Sun, snow and don't forget the world's best „Kaiserschmarrn“. Saturday we even got some additional entertainment by the „Red Bull Skiing Competition“. But let the pics speak for themselves.

Just back home we went to the next Highlight this year: The „Starkbierfest“ at Nockherberg

National Academics Panel Study

Nacaps, the National Academics Panel Study, is a new longitudinal study of doctoral candidates and doctorate holders. This is the first study to systematically collect data on career paths of highly qualified academics in Germany – for the use of researchers, HEIs and academic policy makers.

In case you are enrolled at **TUM** please participate: <https://www.nacaps.de/en/index.html>

About DINI

We are the doctoral student's initiative at Helmholtz Zentrum München (DINI), a free association of graduate students. We organize social events, welcome new PhDs and support you when you have problems.
