Past Events: Autumn Networking Event

On the Sep 27 2018 the Autumn Networking Event took place at mensa after the HELENA Lecture Series. Together with you, we enjoyed the lovely barbecue and some beers. The highlight was definitely the HUMAN KICKER Tournament! The winners are: The Metzgerbuam! Congratulations!

Thanks to Mensa and everyone who brought something for the nice buffet.

Update: DINI Retreat

This year our annual Retreat took place in the beautiful town of Garmisch-Partenkirchen. We re-organized the responsibilities in our team and came up with many new ideas. The first one you are reading at the moment. The NEWSLETTER :) Also we collected many good options for upcoming PhD events. Stay tuned and be surprised!

Alongside our intense work together, we enjoyed a hike through the Partnachklamm and a lovely „Kaiserschmarrn“. We deserved it ;)

Good To Know!

Did you know we have a nice **Doktorandencafé** in Building 23 in the back of the library?

Come pass by with your PhD friends, have a coffee and a small chat. Keep your eyes open for the Cinema Night or the Kicker Tournament at the Doktorandencafé. Updates soon :)

About DINI

We are the doctoral student's initiative at Helmholtz Zentrum München (DINI), a free association of graduate students. We organize social events, welcome new PhDs and support you when you have problems.
